To whom it may concern

This letter serves as a testimonial from us at Customer Relations of Perodua and to thank En Ahmad Fauzan and his excellent assistant, Cik Zati Hanani Zaini for successfully organizing our CR Teambuilding and Motivational Retreat from 19 to 21 April 2015.

En Ahmad Fauzan has shown his full commitment right from the very beginning and always did his level best to cater to our groups' needs and requirements. He has lots of bright ideas to share and implement but yet very humble to accept suggestion and feedback.

As for Cik Zati, she is very helpful in making sure that all details are taken care of and that our participants enjoy the sessions. She is also very cooperative and friendly towards all committee members as well as participants.

Overall, the team from Access Ideas led by En Ahmad Fauzan has conducted a very effective session covering almost 300 participants who come from all over Malaysia. The feedback we received from participants was also very positive and we are truly satisfied with the services provided by the team.

We will not hesitate to recommend Access Ideas to any organization that is planning to conduct any training especially teambuilding programmes.

We also wish Access Ideas all the best in all their ventures.

Yours faithfully,

TESTIMONIALS

Testimonial daripada PERODUA

Ahmad Fauzan bin Othman telah menqelolakan program team enqagement untuk kakitangan Vehide Manufacturing Engineering PERODUA pada 18 dan 19 Jun 2011. VME terdiri daripada jurutera-jurutera pakar dan berpengalaman dalam bidang otomotif.

Berikut adalah komen Senior Manager VMD En. Abdul Rahman Ismail di hujung program tersebut.

“ Saudara Ahmad Fauzan bukan sahaja telah memenuhi objektif yang telah ditetapkan dengan jayanya, malah menterjemahkannya dengan cara atau metodologi yang pada sekilas pandang nampak agak "terlalu senang" tetapi sarat dengan mesej dan pengajaran.

Beliau juga seorang yang peramah, rendah diri, dan senang untuk dibawa berbincang. Penuh dengan idea-idea yang bernas dan mengikut rentak trend generasi terkini. ”

TESTIMONIALS

AVON TESTIMONIAL:

In 2011, Avon engaged Fauzan and his team to conduct a series of teambuilding program that was in line with their 125 Years anniversary "Believe" campaign. To incorporate this campaign, Fauzan's program was structured with the core values of "Believe in yourself, believe in your team and believe in your company." Here is what Avon had to say about the program.

The 2 days 1 night Teambuilding program that Fauzan and his team had organized for us managed to set a dramatic effect on the team dynamics. Not only did we learn the fundamentals in building a winning team, but we now appreciate the importance of each member of our team.

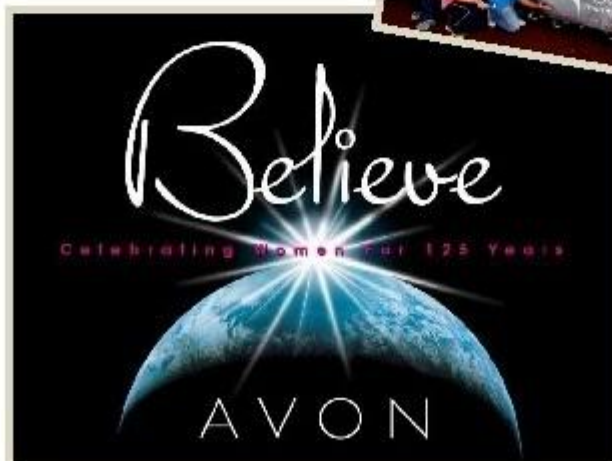

The program taught us that a team is only as strong when everyone is working together. Team synergy is critical in maintaining a company's success.

Thank you Mr. Fauzan and team for delivering a great and energized teambuilding program for Avon Cosmetics (M) Sdn. Bhd.

Sincerely,

ALMA AZIZ
